

Privacy Policy of Assurancement APP

Data Controller: Assurancement ApS

E-mail: info@assurancement.dk

Website: www.assurancement.dk

1. Purpose

This Privacy Policy describes how Assurancement collects, uses, and protects personal information in connection with the use of the Assurancement APP.

We take the protection of your data seriously and process it in accordance with the General Data Protection Regulation (GDPR) and Danish law.

2. What information we collect

When you use the Assurancement APP, we may collect and process the following information:

- Name, company name and contact information (when creating an account)
- Login information (email and password)
- Photos and documentation you upload yourself
- Project and task details (title, descriptions, dates)
- Technical information (app version, device type, IP address, logs)

3. How we use the information

We use the information to:

- Drive and improve app functionality
- Store and structure documentation for the user
- Generate reports and export files
- Handle support requests
- Ensure system operation and safety

The information is only used for operational and support purposes and is not disclosed to third parties without your consent.

4. Data Processing and Storage

All data is stored securely in the cloud with our hosting partners who comply with applicable security standards (e.g. Microsoft Azure or equivalent). Data is only stored for as long as is necessary for the purposes for which it was collected.

5. Sharing data

We do not share your personal data with others unless it is necessary for operations (e.g. hosting, email services such as SendGrid) – and only with data processors that meet GDPR requirements.

6. Your rights

As a user, you have the right to:

- Gain insight into what data we have about you
- Have your information corrected or deleted
- Restrict or object to processing
- Have your data transferred to another provider (data portability)

You can contact us at any time via info@assurancement.dk to exercise your rights.

7. Security

We use technical and organizational measures to protect your data from unauthorized access, loss, or misuse – including encrypted connections (SSL) and access control.

8. Changes

We may update this policy from time to time. The latest version is always available on our website.

9. Contact

If you have any questions about this privacy policy or our processing of personal data, you can contact us at: info@assurancement.dk
